

Want to get on the WiFi?

BYOD

(Bring Your Own Device)

Get on board with BYOD and get your Devices registered today!

Box Elder School District

We would like to share our network with you!

If your teacher approves, you can use your own device in class to work on class assignments, or projects. Just scan on the QRCode below or go to

the website below for instructions on how to get on.

Just scan this QR Code and choose you device type and follow the instructions to get on the WiFi
