Purpose:

The DYCH Credit Recovery program provides a situation where students can successfully recover high school credit while maintaining current enrollment at either Bear River or Box Elder High School.

It is an option for those students who have previously failed or received an incomplete in the course.

How it works:

Modules are broken down into quarters (2 sections per half credit). Students take a pre-test the first day. If they pass with a score of 80% or higher they receive the credit. If they do not pass they work through a module and take a final exam when they are ready. Credit will then be issued by Dale Young Community High.

There will be five sessions during the 2014-2015 school year at Bear River High School .

Session 1: Sept. 21-Oct. 14

Session 2: Nov 30– Dec. 23

Session 3: March 8-31

Session 4: April 11– May 12

Summer Session: June 6– 23

Starting September 8, Box Elder students can access credit recovery Monday-Thursday until May 12.

Summer Session: June 6– June 23

Classes will be held Monday–Thursday from 3-5 at BRHS library and Dale Young Community High.

Summer session will be from 8-10 a.m. at Bear River High, and 10-12 a.m. at Dale Young Community High

The cost is \$60 per 1/2 credit,
\$30 per 1/4 credit

Registration for Box Elder students will be done on site. Students will be required to provide:

- An unofficial transcript and registration form (which can be obtained from their counselor).
- Payment for the course(s). Please bring the exact amount as the facilitator will not be able to make change. Fee for the course cannot be waived.

Registration for Bear River students will be done through the counseling center. Students must bring the registration form from their counselor and payment receipt to begin the course.

Students may not begin until the fee for the course has been paid
