Dear Parents and Guardians,

Beginning December 1st, 2014, our school will be administering school climate surveys. The purpose is to gather stakeholder input about teachers, principals, and schools. All parents/guardians and all 8th and 9th grade students will be invited to participate. Responses are anonymous and no personal information will be collected. Results will be given to teachers and administrators and used to improve schools. The survey is short, taking less than 10 minutes to complete.

There is a link to the survey on the school website. If you do not have a computer, we strongly encourage you to take the survey at the school (we have a computer set up for you to take the survey on) or on any public computer, such as those available at a public library. The survey is available in English and Spanish.

You can access the survey by clicking here:

or by typing https://uepc/co1.qualtrics.com/SE/?SID=SV_aaZmo3Uj5ruNz8h into a browser.

This link will be open from December the 1st through December the 15th. Thank you in advance for your participation.

Sincerely,

Bear River Middle School Administration
